- Public venues can open but must comply with conditions on gatherings, and undertake public health measures.
- Gatherings of up to 100 people outdoors allowed while maintaining physical distancing and contact tracing requirements. [Update: The Greater Auckland area imposes additional restrictions of gatherings no larger than 10 people additional to the other restrictions above.]
- Schools and Early Childhood Education centres open, with distance learning available for those unable to attend school, such as people self-isolating.
- Inter-regional travel is now permitted.

v) It will be communicated to staff that the temperature reading measure also removes any subjectivity from a self-assessment of whether symptoms exist and is a measure designed to keep them as safe as possible.

3) There will be no need for any investigation if a staff member chooses to work from home – they will be allowed to either complete a paid day of work remotely, or take sick leave as a precautionary measure.
