Alert Level 2 - general rules:

The disease is contained, but the risk of community transmission remains.

- Keep your distance when out and about (ideally 2 metres) and wear face coverings when outside. Keep washing your hands.
- Keep track of your whereabouts through the contact tracing app
- Gatherings of up to 100 people outdoors per defined space are allowed while maintaining physical distancing of 2 metres and contact tracing requirements.
- Gatherings of up to 50 people indoors per defined space are allowed while maintaining physical distancing of 2 metres and contact tracing requirements.
- Even if you have been vaccinated, you still need to follow the rules to keep everyone safe.

Events — General

In following the Ministry of Health guidelines, Sustainable Coastlines events come under the definition of 'event facilities' for both indoor and outdoor events. Event facilities can operate at Alert Level 2.

Event facilities can have up to 50 people within any defined space, defined as a single indoor space separated from other spaces and up to 100 in outdoor spaces.

Event Directors are to:

- 1) Assess how many people can safely be within a defined space and still maintain 2 metre physical distancing. This could mean the facility needs to have fewer than 50 people in a defined space.
- 2) Make it clear to attendees that they need to keep 2 metre physical distance from people where possible.
- 3) Encourage people to wear a face covering. See details of government guidance on face coverings [here](#).
- 4) Ensure that if a place has more than 1 defined space, people are not intermingling between the defined places. This includes when entering, leaving, or using the toilet. It does not include workers.

General guidelines for food and drink at events: encourage attendees to bring their own food and drinks

- 1) Food/kai: No food is to be served during events at Alert Level 2.
- 2) Drinks: No drinks are to be served during events at Alert Level 2

Love Your Water / Love Your Coast Events

Gatherings of up to 100 people allowed outside while maintaining 2 metre physical distancing where possible and contact tracing requirements. Please see the definition under 'Events — general' above.

Event preparation:

- 1) Any Event Director may, as this situation unfolds:
 - a) Cancel or postpone any event, at their sole discretion, including booked and ad hoc events at The Flagship Education Centre, if they are not happy with the level of risk presented, as this situation continues; Any Event Director who elects to cancel or postpone an event must communicate this with stakeholders along with their rationale of risk reduction in a timely manner.
 - b) Elect to adapt the delivery model for an event, including for example:
 - i) Requesting a copy of any collaborating organisations' protocol for review
 - ii) Implementing physical separation, 2 metre distances during an event (for example, sending groups to different sites and doing online presentations prior to the event to reduce any gatherings).
 - iii) Adapting the delivery model for an event to bring it below a chosen threshold (such as events with fewer than 100 people only)

attendees sign in on the COVID Tracer app or fill out the contact tracing form for each participant. The form must be filled out by a staff member to avoid contamination. **ALL attendees' names must go on the contact tracing form or in the COVIDTracer app**, regardless of whether they have registered online or not. For sign-in purposes, we can print off the online registrations and mark people off as they arrive, but their names and details must then go on the contact tracing form or COVID Tracer app.

- 6) Cleaning stations will be set up with at least 2m between each station and extra soap and hand sanitiser available.
- 7) The Health and Safety talk will reiterate all new COVID-19 related protocols for the day.
- 8) We actively reiterate with people throughout the day that 2m social distancing is required throughout the day.
- 9) We will invest in a loud hailer for each office where we don't have one.

Pack down of event:

- 1) Staff must have a designated equipment drop area for attendees to leave equipment and an area for rubbish sacks.
- 2) Staff are to wear gloves while dealing with event equipment. Masks are optional.
- 3) All commonly used equipment (such as spades, tables, etc.) where workers may have come in contact with are to be cleaned and sanitised at the end of the working day, before loading up the vehicles.
- 4) All waste and PPE must be securely and safely removed from site at the end of each day.
- 5) Unloading of equipment at HQ must be staggered so that no more than 4 people are in HQ at a time.
- 6) Clean and sanitise other surfaces (such as vehicle handles and light switches) before leaving HQ.

Flagship Events

Event managers must ensure:

- 1) This protocol is available to all event attendees.
- 2) It is communicated with all event attendees that:

- ii) Call the Healthline on 0800 358 5453 to enquire if they qualify for official testing.
 - iii) They are then to inform their manager(s) as to the result of this conversation.
 - iv) Any costs for testing or screening (including travel to or from the staff member, intern or volunteers' place of residence) will be covered by Sustainable Coastlines.
 - v) It will be communicated to staff that the temperature reading measure also removes any subjectivity from a self-assessment of whether symptoms exist and is a measure designed to keep them as safe as possible.
- 2) There will be no need for any investigation if a staff member chooses to work from home – they will be allowed to either complete a paid day of work remotely, or take sick leave.
 - a) The above measures will also permit employees to flexibly elect to stay home to care for a sick family member, by either working from home or taking a sick leave day, in consultation with their manager.
 - 3) Managers will be asked to consider lining up tasks that can be performed remotely.
 - 4) All staff to use the Covid Tracer App when using the Sustainable Coastlines premises
 - 5) Be supportive of each other through this ongoing situation.
 - 6) There will be no discrimination against anyone who elects to work from home, take sick days or self-isolate.
 - 7) Avoid personal contact, such as kissing, sharing cups or food with sick people.
 - 8) If anyone staff member, intern or volunteer needs to self-isolate, they are to follow the guidelines set out by the Ministry of Health:

Returning home after work

Stopping the spread of COVID-19 from work to home

To stop the possible spread of COVID-19, it is important that when you return home after work, you take all the necessary precautions to ensure that you and everyone in your bubble are safe. Here are five simple guidelines to follow:

No touching

When you return home, try not to touch anything until you have cleaned your hands properly.

Shoes

Remove your shoes, do not walk through the house with them on - leave them outside.

Items

Leave non-essential items at work and disinfect items you have used at work that you have to keep with you, e.g. mobile phones.

Clothes and bags

Place your clothes and bags in a container and wash in a hot washing machine cycle.

Shower

Have a shower and make sure to clean your hands, wrists, arms, neck, nails and areas that might have been exposed.
